

Notaries of Europe

Providing legal certainty thanks to the authentic instrument

1

Contribute legal expertise to help the law evolve at the service of citizens within the EU

- Defending status: Prof. Qualifications, services, etc.
- Family law: matrimonial property regimes, succession regulation
- Company law
- Civil status documents
- Public documents
- Vulnerable adults
- Contract law
- Consumer law
- E-justice
- Money laundering
- Mediation

2

Develop tools to help notaries handle cross-border cases

- EUFides
- ENRWA
- ENN
- Succession handbook
- Authentication map
- Legislative observatory
- Companies checklist
- Verification of powers of attorney
- Register of vulnerable adults

3

Develop information tools so the law is accessible to citizens

- Successions Europe website
- Couples en Europe website
- European Directory of Notaries
- Vulnerable Adults website
